WELCOME OUR NEW ASSOCIATE

We are very excited to announce the addition of our new associate dentist, Dr. Katie Dahlen, to our practice. She will begin seeing patients on January 31st. The addition of Dr. Dahlen gives us the ability to maintain office flow in our growing practice and the accessibility to add even more new patients while maintaining our outstanding patient care. Dr. Dahlen enjoys numerous aspects of dentistry, but has always had a special interest in root canals. With her on our team, we will not need to refer as many cases out and will be able to take care of their needs within our practice. She is a great complement to our team.

Dr. Herald and Dr. Dahlen attended dental school together at the University of Kentucky from 2005-2007. They have remained friends and colleagues ever since, even working at some of the same offices throughout their careers. She also has experience working with members of our current staff. Tanya, our hygienist, worked with her for two years at another location, and numerous assistants have worked side by side with her.

Dr. Dahlen graduated from University of Kentucky Dental School in 2009. She comes to us with over ten years of experience in general and cosmetic dentistry in Kentucky and Ohio. Her exceptional patient care and gentle approach aide in her ability to help patients feel comfortable in the chair. She is driven to help patients achieve a healthy and beautiful smile.

Dr. Dahlen is also a Major in the Air Force with over nine years experience. She has had the privilege to work with Seal Teams at a Naval Base in San Diego and joint force mission trips. In her spare time, Dr. Dahlen loves to cook. Her passion for cooking led to her get her undergraduate degree in Food Science. Along with cooking, she enjoys traveling and has recently traveled to Newfoundland.

The office schedule for Dr. Dahlen, will currently include Thursdays from 8am-5pm and select Fridays. We look forward to introducing her to our current patients and cannot wait for you to meet her.
